

NPSO Roundtables

Dear Stakeholder,

The New Payment System Operator (NPSO) invites you to join a roundtable session to discuss and take feedback from you on the proposed new services being delivered as part of the New Payments Architecture. The roundtable will take place at the NPSO Offices, 2 Thomas More Square, London E1W 1YN.

What do we want to achieve?

In December 2017, the Payment Strategy Forum (PSF) passed responsibility for the future development of the UK's retail payments infrastructure to the NPSO. The NPSO has now established a programme to develop the New Payments Architecture (NPA).

During June and July 2018, the NPSO is reaching out to end-users of payment services to test and validate that the proposed Confirmation of Payee (CoP) proposition delivers the end-user outcomes envisaged in the Payments Strategy Forum (PSF) Blueprint. These include enhancing payer's **control**, **trust** and **confidence** when making a payment, addressing detriments and ensuring that the proposition is workable and does not inadvertently lead to any new detriments.

The outputs will be used to inform the NPSO about the proposed CoP proposition prior to its launch in the market.

What is expected from you?

We would like you to join us for a 2 hour workshop where we will introduce the NPSO and explain more about how CoP is expected to work through a demonstration.

The workshop will aim to ask a series of questions which will test and validate the CoP proposition. We would like you to contribute to the discussion in an open and critical way to help us develop a proposition that enhances the payer's control, trust and confidence when making a payment. An agenda will be sent in advance of the session.

Next steps

If your organisation would like to contribute, please respond with the individuals name and contact email address to events@newpso.uk. If you are unable to make this date but would like to be involved, please enquire at events@newpso.uk and we will be in touch. If you have any questions or for further information please contact events@newpso.uk.
